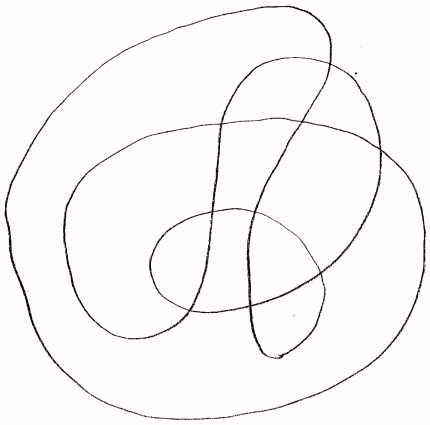
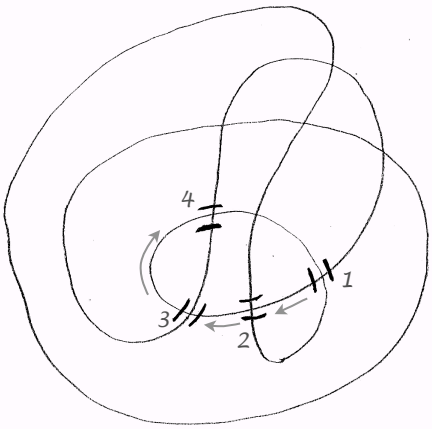
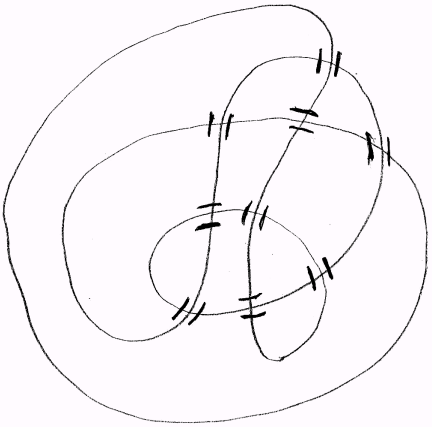
Schnüre und Knoten malen



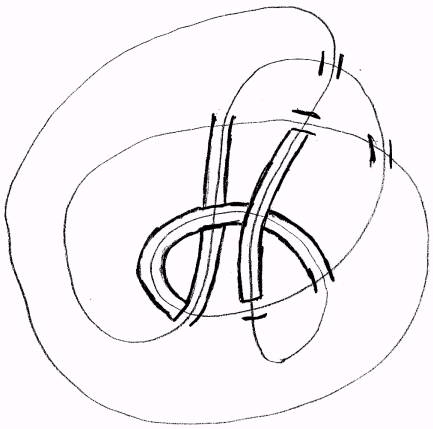
1. Schritt: Geschlossenen Krickel malen



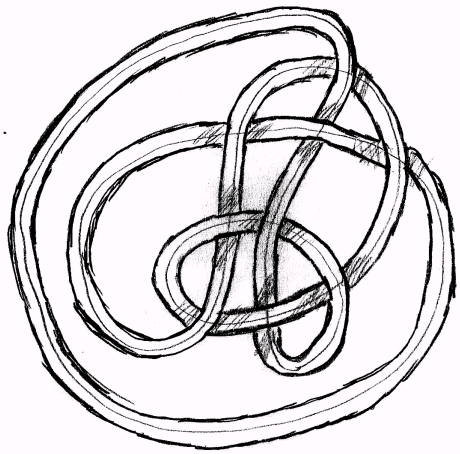
2. Schritt: Entlang der Linie abwechselnd drüber und drunter markieren



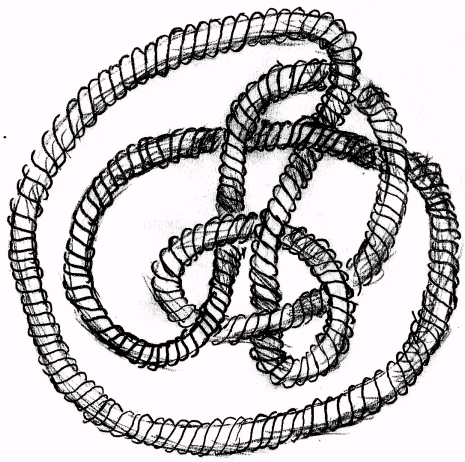
3. Schritt: So lange, bis man entlang der ganzen Linie gegangen ist



4. Schritt: Stück für Stück die Linie umranden, dabei drüber und drunter beachten

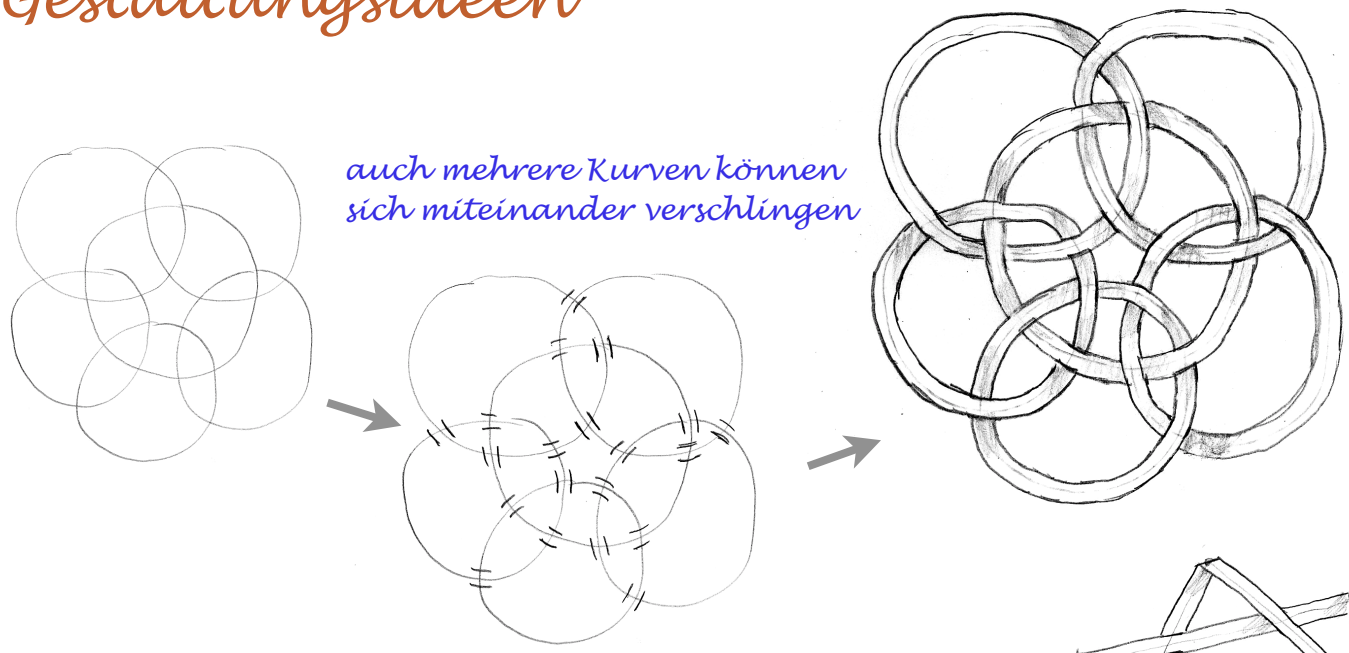


5. Schritt: So lange, bis aus der ganzen Linie ein Knoten entstanden ist

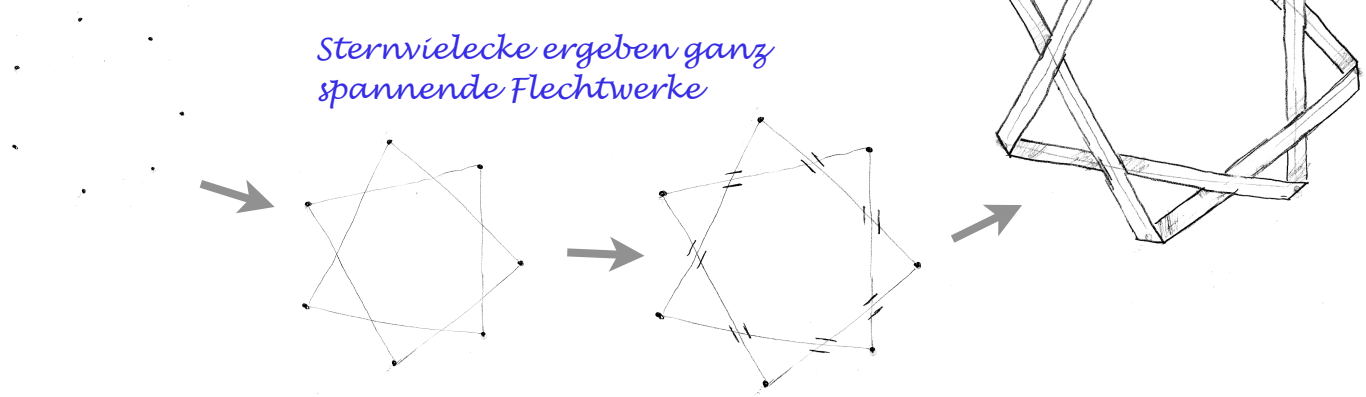


6. Schritt: Nach Belieben verzieren

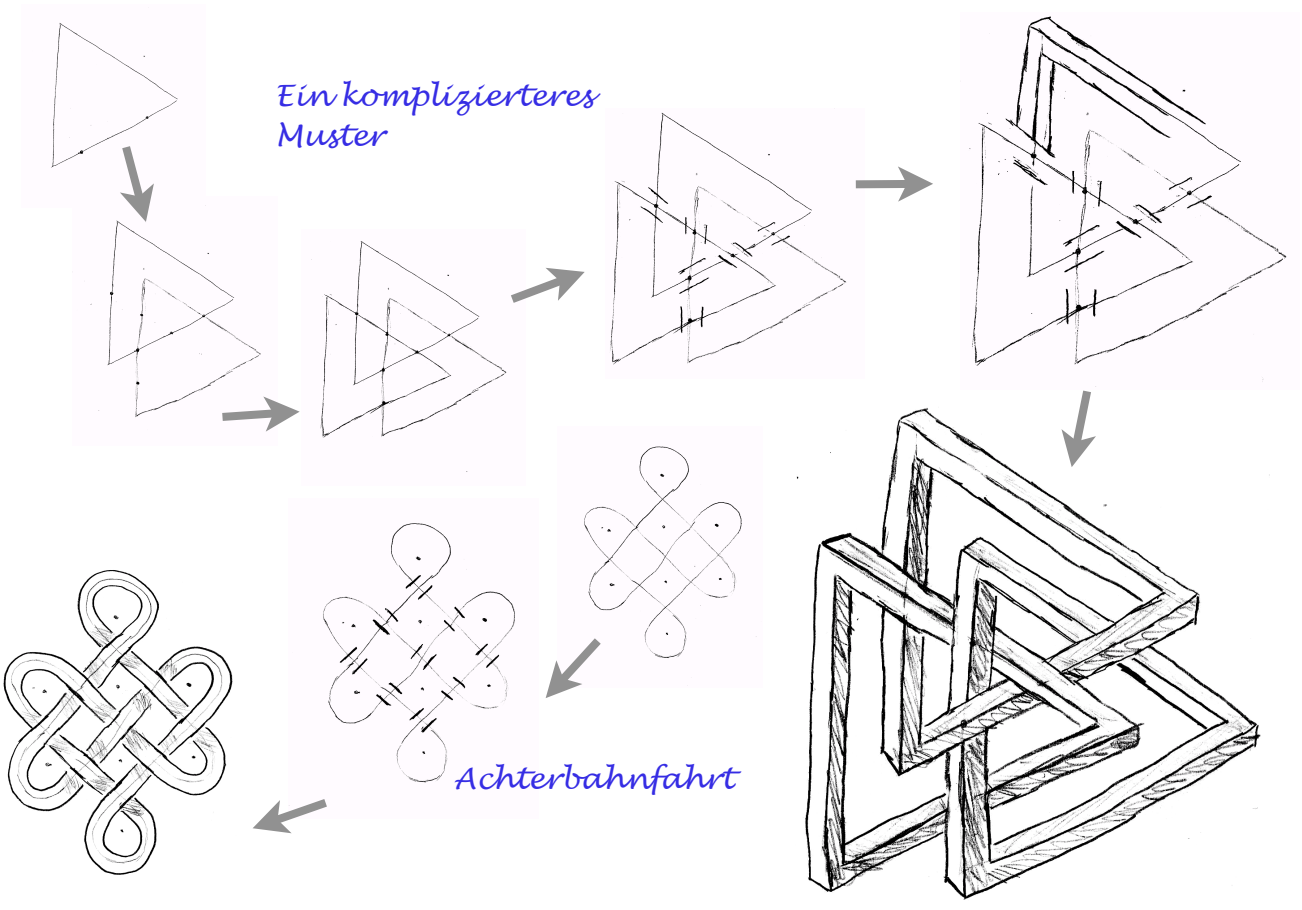
Gestaltungsideen



auch mehrere Kurven können
sich miteinander verschlingen



Sternvielecke ergeben ganz
spannende Flechtwerke



Ein komplizierteres
Muster
